Fiscal Year 2003 Regulatory Fees
Fee Control No. 00000RROG-04-017

Dear Counsel:

This letter responds to your request dated September 25, 2003, submitted on behalf of Mallard Cablevision, LLC and its affiliates SunTel Communications, LLC and SM Cable Holdings, LLC, Debtors-in-Possession (Debtors), for waiver and deferral of the fiscal year (FY) 2003 cable system subscriber and cable television relay service regulatory fees. Our records reflect that the Debtors have not paid the \$41,192.16 FY 2003 regulatory fees at issue here.

In your request, you state that on May 9, 2003, the Debtors filed for bankruptcy in the United States Bankruptcy Court of the District of Delaware (Bankruptcy Court). In support, you submit a copy of the "Notice of Commencement of Chapter 11 Bankruptcy Cases, Meeting of Creditors and Fixing of Certain Dates" dated May 27, 2003 from the Bankruptcy Court. You state that the Debtors remain in Chapter 11 bankruptcy.

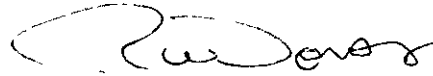

The Commission has determined that it will waive regulatory fees for licensees whose stations are bankrupt or are in receivership. *See Implementation of Section 9 of the Communications Act*, 10 FCC Rcd 12759, 12762 (1995). Accordingly, based upon the Debtors' bankruptcy filing, your request for waiver of the FY 2003 regulatory fees is granted.

Mr. Harding, Mr. Breisach, and Ms. Wilkozek

Re: Mallard Cablevision, LLC, SunTel Communications, LLC and SM

Request to Waive and Defer Fiscal Year 2003 Regulatory Fees

Dear Mr. Reger:

We attach a petition to waive and defer the payment of Fiscal Year 2003 regulatory fees for the above Debtors-in-Possession ("Debtors") pursuant to Section 1.1166 of the Commission's rules. The above Debtors have recently filed for Chapter 11 bankruptcy protection. Consequently, all of Debtors' assets are subject to these bankruptcy proceedings. The waiver request concerns regulatory fees that are pre-petition obligations and that are precluded from payment under the Bankruptcy Code.

Debtors request expedited action on this waiver and deferral. Pending a decision, Debtors will continue to collect regulatory fee surcharges from customers. If the Commission grants the waiver, Debtors will refund such amounts in the form of a bill credit to current customers.

Should there be any questions regarding the attached petition, please contact the undersigned.

Very truly yours,

Arthur H. Harding

**REQUEST FOR WAIVER AND TO DEFER PAYMENT OF
FISCAL YEAR 2003 REGULATORY FEES**

Mallard Cablevision, LLC ("Mallard") and its affiliates, SunTel Communications, LLC ("SunTel") and SM Cable Holdings, LLC ("SM Cable"), Debtors-in-Possession (collectively referred to herein as the "Debtors"), by their attorneys and pursuant to Section 1.1166 of the Commission's rules, herein seek a waiver and deferral of Section 1.1155 of the Commission's rules with respect to the payment of Fiscal Year 2003 annual regulatory Cable System Subscriber Fees and CARS License Fees. On May 9, 2003, the Debtors filed a petition for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court of the District of Delaware, captioned In re Mallard Cablevision, LLC, et al , Debtors (Case No. 03-11391). A copy of the Notice of Commencement of Case Under Chapter 11 of the Bankruptcy Code ("Notice of

Commencement”) is attached hereto as Exhibit 1.¹ The Debtors that requested bankruptcy protection are listed in the Chapter 11 Notice of Commencement.²

I. Waiver of Fiscal Year 2003 Regulatory Fees

In light of their bankruptcy status, the Debtors seek a complete waiver of the Fiscal Year 2003 annual regulatory fees that otherwise would be due by September 25, 2003.³ The 2003 regulatory fees that would otherwise be due by the Debtors, including the names and FCC registration number of each affected regulated entity, are set forth in the attached Forms 159 as Exhibit 2. Such fees do not exceed the waiver cap established by the Commission.⁴ The affected cable community unit identification (“CUID”) numbers and CARS station call signs are also identified in Exhibits 3 and 4.

Section 1.1166 of the Commission’s rules authorizes the Commission to waive, reduce or defer payment of a fee “where good cause is shown and where waiver, reduction or deferral of the fee would promote the public interest.”⁵ The Commission has stated that it will grant waiver of fees on a “sufficient showing of financial hardship”⁶ where the “public interest clearly overrides the private interest of the requestor.”⁷ On several occasions, the Commission has found that “evidence

¹ This Notice of Commencement evidences Debtors’ bankruptcy filing. Because numerous affiliates filed bankruptcy petitions, appending all would create a voluminous filing. Should the Commission request any or all filings, Debtors will promptly provide such documentation.

² The Notice of Commencement may also include other affiliates of the Debtors that are not required to pay annual FCC regulatory fees.

³ The FCC extended the filing deadline by “General Action” in DA 03-2907 (Sept. 22, 2003).

⁴ *In the Matter of Assessment and Collection of Regulatory Fees for Fiscal Year 2003*, Report and Order, FCC 03-184, MD Docket No. 03-83, 18 FCC Rcd 15985, ¶ 14 (2003).

⁵ 47 C.F.R. § 1.1166; see also 47 U.S.C. § 159(d).

⁶ *In the Matter of Assessment and Collection of Regulatory Fees for Fiscal Year 2003*, Notice of Proposed Rulemaking, FCC 03-64, MD Docket No. 03-83, 18 FCC Rcd 6085, ¶ 10 (2003) (“2003 Regulatory Fee Notice”).

⁷ *In the Matter of Implementation of Section 9 of the Communications Act, Assessment and Collection of Regulatory Fees for the 1994 Fiscal Year*, Report and Order, 9 FCC Rcd 5333, ¶ 29 (1994) (“Section 9 Report and Order”).

of bankruptcy or receivership is sufficient to establish financial hardship,” and the Commission has previously waived certain fees for businesses undergoing Chapter 11 reorganizations.⁸

All of Debtors’ assets are currently subject to a Chapter 11 bankruptcy proceeding. Debtors have been unable to procure any debtor-in-possession financing and continue the operations of their cable systems solely from internally-generated subscriber revenue. Consequently, conservation of cash is critically important to Debtors’ ability to continue to provide subscribers with quality cable services while the Debtors work to complete the bankruptcy proceeding. The payment of regulatory fees at this time would not only divert limited available cash that is essential to Debtors’ efforts to operate but is also restricted by the Bankruptcy Code, 11 U.S.C. § 101 *et seq.* In conjunction with the bankruptcy, Debtors are engaged in efforts to sell many, if not all, of their cable television systems. Debtors have concluded that the best course for all stakeholders is to preserve the value of their cable assets for a potential sale and thereby help assure uninterrupted service to the public.⁹

II. Deferral of Payment of Fiscal Year 2003 Regulatory Fees

The Debtors further request a deferral of the requirement to submit 2003 annual regulatory fees until the Commission renders a decision on the instant regulatory fee waiver request.¹⁰ In the *Section 9 Report and Order*, the Commission recognized that there may be “exceptional instances in which requiring payment of the regulatory fee along with a waiver . . . request could result in the reduction of service to a community or other financial hardship to the licensee or other regulatee.”¹¹

⁸ See, e.g., *In the Matter of Implementation of Section 9 of the Communications Act, Assessment and Collection of Regulatory Fees for the 1994 Fiscal Year*, Memorandum Opinion and Order, 10 FCC Rcd 12759, ¶ 14 (1995) (“Section 9 MOO”); see also, *2003 Regulatory Fee Notice*, ¶ 10; see, e.g., *MobileMedia Corp., et al., Application for Authorizations and Licenses of Certain Stations in Various Services*, Memorandum Opinion and Order, FCC 99-15, WT Docket No. 97-115, 14 FCC Rcd 8017, ¶¶ 39-40 (1999) (finding that “bankruptcy establishes good cause for waiver”).

⁹ See *Section 9 MOO*, ¶ 14 (finding that “where a bankruptcy trustee, receiver, or debtor-in-possession is negotiating a possible transfer of a license, the regulatory fee could act as an impediment to the negotiations and the transfer”).

¹⁰ The Debtors understand that the timely filing of this waiver/deferral request by September 25, 2003 avoids any late-payment penalty should the Commission eventually deny this waiver/deferral request.

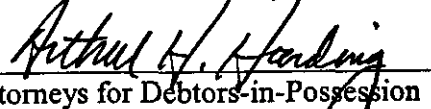

¹¹ *Section 9 Report and Order*, ¶ 34.

To reduce the burden on regulatees, the Commission has stated that it will accept petitions for waiver and deferral as long as they are filed no later than the regulatory fee due date.¹²

As explained above, the Debtors have a compelling financial hardship, as evidenced by the bankruptcy proceeding. Further, since the applicable regulatory fees accrued prior to the Chapter 11 bankruptcy filing, such fees are a pre-petition claim under the Bankruptcy Code.¹³ According to the Bankruptcy Code, such pre-petition claims cannot be paid outright by the Debtors and may be paid, if at all, only to the extent approved by the Bankruptcy Court. Accordingly, in light of the fact that Debtors are submitting this waiver and deferral request on or before the regulatory fee due date, Fiscal Year 2003 regulatory fees will not be paid pending Commission consideration of this matter.

Respectfully submitted,

COMMENCEMENT OF CASES. Petitions for reorganization under chapter 11 of the Bankruptcy Code have been filed in this Court by the Debtors listed above, and orders for relief have been entered. You will not receive notice of all documents filed in this case. All documents filed with the Court, including lists of the Debtors' property and debts, are available for inspection at the Office of the Clerk of the Bankruptcy Court. In addition, such documents may be available at www.deb.uscourts.gov (A PACER login and password will be necessary and can be obtained through the PACER website at www.pacer.psc.uscourts.gov).

PURPOSE OF CHAPTER 11 FILING. Chapter 11 of the U.S. Bankruptcy Code enables a debtor to reorganize pursuant to a plan. A plan is not effective unless approved by the court at a confirmation hearing. Creditors will be given notice concerning any plan, or in the event the case is dismissed or converted to another chapter of the Bankruptcy Code. The Debtors will remain in possession of their property and will continue to operate any business unless a trustee is appointed.

CREDITORS MAY NOT TAKE CERTAIN ACTIONS. A creditor is anyone to whom a debtor owes money or property. Under the Bankruptcy Code, a debtor is granted certain protection against creditors. Common examples of prohibited actions by creditors are contacting a debtor to demand repayment, taking action against a debtor to collect money owed to creditors or to take property of a debtor, and starting or continuing foreclosure actions or repossessions. If unauthorized actions are taken by a creditor against a debtor, the Court may penalize that creditor. A creditor who is considering taking action against a debtor or the property of a debtor should review § 362 of the Bankruptcy Code and may wish to seek legal advice. The staff of the Clerk of the Bankruptcy Court are not permitted to give legal advice.

MEETING OF CREDITORS. The Debtors' representative, as specified in Rule 9001(5) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), is required to appear at the meeting of creditors on the date and at the place set forth above for the purpose of being examined under oath. Attendance by creditors at the meeting is welcomed, but not required. At the meeting, the creditors may examine the Debtors and transact such other business as may properly come before the meeting. The meeting may be continued or adjourned from time to time by notice at the meeting, without further written notice to the creditors.

CLAIMS. Schedules of creditors will be filed pursuant to Bankruptcy Rule 1007. Any creditor holding a scheduled claim which is not listed as disputed, contingent, or unliquidated as to amount may, but is not required to, file a proof of claim in these cases. Creditors whose claims are not scheduled or whose claims are listed as disputed, contingent, or unliquidated as to amount and who desire to participate in the cases or share in any distribution must file their proofs of claim. A creditor who desires to rely on the schedule of creditors has the responsibility for determining that the claim is listed accurately. **It is not necessary to file your proof of claim at this time. Separate notice of the deadlines to file proofs of claim and proof of claim forms will be provided to the Debtors' known creditors.** Proof of claim forms are available in the clerk's office of any bankruptcy court. Proof of claim forms are also available from the Court's web site at www.deb.uscourts.gov.

DISCHARGE OF DEBTS. Confirmation of chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See Bankruptcy Code § 1141(d). A discharge means that you may never try to collect the debt from the debtor, except as provided in the plan.

Clerk of the U.S. Bankruptcy Court
